Day 1: Depart from your Adelaide accommodation at 6.45am, drive to Cape Jervis to meet the 9.00am vehicular Sealink Ferry to KI, arriving at Penneshaw at about 9.45am.

Today we explore the southern coastline – after leaving Penneshaw we stop off to view the magnificent Pennington Bay before heading for Seal Bay where stop for lunch and then we take a guided tour onto the beach and walk amongst the Sea Lions. We then visit Little Sahara – to view and climb the huge naturally occurring sand dunes. Next on the list is Vivonne Bay and then Kelly Hill Caves where we take a guided tour to view the stunning stalactites and stalagmites in the underground cave system. This night we are staying at the western end of KI at the Kangaroo Island Wilderness Retreat in an ensuite room and restaurant dinner.

Day 2: Today we have a very short drive to spend time at Remarkable Rocks and Admirals Arch and drive through the Flinders Chase National Park enroute to Cape Borda Lighthouse where we take a tour of the area and have our picnic lunch. We then travel along the northern coastline via Kangaroo Island Wildlife Park at Parndana – where we can get up close to some beautiful Australian animals. Then on to Stokes Bay for a visit to the secret beach – followed by a visit to Emu Bay enroute to Kingscote. Staying at the comfortable Seaside Inn. Restaurant dinner in Kingscote.

Day 3: After a look around Kingscote we spend the day exploring the eastern end of KI calling in to the Emu Ridge eucalyptus distillery, and Clifford’s Honey Farm with a morning tea stop at the Sunset Winery where we can enjoy magnificent views over a cuppa!

Next we follow the coast to Antechamber Bay, which has great views of it's long, wide stretch of beach, then stop at Chapman River for a stroll along the beach before continuing on to lunch at the amazing Zest and Tyme restaurant before our guided tour of the Historic Cape Willoughby light house. On the return to Penneshaw we pop into Dudley Wines for afternoon tea or wine tasting – before we meet our 5.30pm ferry to Cape Jervis.

Return time may vary slightly depending on the availability of the Sealink Ferry.
